

# ABOUT OUR TEAM

Rolling Thunder consists of adventurous girls and boys, grades 7-12 in Saratoga Springs. We participate in five sanctioned races throughout the state, involving over 7000+ athletes and their families. We are proud to watch our youth gain confidence as they see their personal development through practices and races.

As supporters of the NICA value of inclusivity, we do not hold tryouts. Everyone is welcome and encouraged to join.

We are registered as a team in the Utah High School Cycling League ([www.utahmtb.org](http://www.utahmtb.org)), and organized under National Interscholastic Cycling Association (NICA, [www.nationalmtb.org](http://www.nationalmtb.org)).

## OUR MISSION

Provide opportunities for kids to be active, fit, and healthy.

Teach sportsmanship, teamwork and accountability; build character, discipline and love of sport.

Encourage respect for biking, trail etiquette and maintenance, and confidence in themselves.

Support the principles of the State League (NICA) by embracing their core values: Strong Body, Strong Mind, Strong Character, Inclusivity & Equality.
